

HELPERS

SUN is where we shine

MOON is what we care for

MARS is what we fight for

MERCURY is what we are curious about

JUPITER is where we have most to give

VENUS is what we love

SATURN is what we need to develop

Rahu entanglements to be sorted

Ketu no attachments

Jyotish provides profound knowledge into planetary influences affecting our physical environment, our mental state and our spiritual aspirations, including relationships, work, family etc.
